

NETXTEN

Off to the global pond. **Dare you?**

A collaborative program of
**PT NETXTEN EDUKASI BANDUNG &
STEI - Institut Teknologi Bandung**

Do you dream of a challenging **global career** and **extraordinary earnings** as a network expert?

Come and join us in this presentation of a highly intensive preparation program for network experts on:

Thursday, 6th March 2014

or

Friday, 13th March 2014

(please chose one only)

09.00 - 11.00 WIB

Lab. Telematika, Gd. Achmad Bakrie 4th Floor
Kampus ITB, Jl. Ganesha 10 Bandung

Open for students from STEI (*Telekomunikasi, Elektro, Informatika, Sistem & Teknologi Informasi, Teknik Tenaga*), *Teknik Fisika, Matematika, Fisika*, or other departments as long as you have the knowledge and interest in networking.

**We will show you how to get free training, learning facilities, certifications, and a bright future career abroad.
Including some allowance during your study.**

Please send your registration now to: adrie.tw@netxten.co.id
(provide the date you choose, full name, NIM, study program,
first enrollment year, and no. handphone)
