

International Graduate Programs (A) Tokyo Institute of Technology (Overseas Application)

Seven Special Programs

1) Sustainable Engineering Program

Website: <http://www.eng.titech.ac.jp/ingp/sep/>

2) Educational Program through International Collaboration on Architecture and Urban Design

Website: <http://www.arch.titech.ac.jp/English/Graduate/international.html>

3) International Bioscience and Biotechnology Course Program

Website: <http://www.bio.titech.ac.jp/english/index.html>

4) International Program for Interdisciplinary Science and Technology

Website: http://www.igs.titech.ac.jp/index_English.html

5) Education Program of Japanese Advanced Information Technology

Website: <http://www.cs.titech.ac.jp/cs-home-e.html> (Computer Science)

Website: <http://www.mei.titech.ac.jp/index-e.html> (Mechanical and Environmental Informatics)

6) International Program on Effective Utilization of Technology, Graduate School of Decision Science and Technology

Website: <http://www.dst.titech.ac.jp/index.html>

7) International Program on Earthquake Engineering

Website: <http://www.cuee.titech.ac.jp/English/Education/index.html>

For application

Deadline: All application documents should arrive by Dec 3rd, 2010 for 2011 October enrollment.

Procedures, required documents and eligibility: See

Website: <http://www.gakumu.titech.ac.jp/nyusi/igp/top.html>

Notice: Official English test score is required.

Welcome to Tokyo Institute of Technology (Graduate Program)

1. Outline

Tokyo Tech is a leading Japanese university in science and technology with an outstanding history since 1881. There are 10,287 students (4,861 undergraduates, 5,183 postgraduates, and 243 research students), 1,097 faculty members, and 563 administrative staff members. The institute consists of six graduate schools, three undergraduate schools, four attached research laboratories, and joint-use research centers.

2. Graduate Schools (number of students as of May 1, 2010)

Note: The figure in parentheses refers to the number of international students.

■ Graduate School of Science and Engineering	2,176	(390)
■ Graduate School of Bioscience and Biotechnology	443	(73)
■ Interdisciplinary Graduate School of Science and Engineering	1,628	(215)
■ Graduate School of Information Science and Engineering	378	(83)
■ Graduate School of Decision Science and Technology	407	(69)
■ Graduate School of Innovation Management	151	(17)

3. Admission

- Degree Program
 - Overseas Application for International Graduate Program
(Master's program/doctoral program/integrated doctoral education program)
 - General Examination
(Master's program/doctoral program/integrated doctoral education program)
- Nondegree Program
 - Enrollment as a research student

4. Fees for Graduate Students

Entrance examination fees	¥30,000
Admission fees	¥282,000
Tuition fees	¥535,800 (per year)

5. Scholarships and Financial Support

- MEXT (Ministry of Education, Culture, Sports, Science and Technology) Scholarship
 - Embassy recommendation: Every March at the Japanese Embassy in your country
 - University recommendation: December 3, 2010, at the Admission Division of Tokyo Tech
- Other scholarships (approximately 50 scholarships available) for privately funded students
 - JASSO (Honors Scholarship for Privately Financed International Students) and other private foundations
- Financial aid for doctoral students (TRA Program)

6. Accommodations

Accommodations are available only for new international students who have come to Japan for the first time.
