Subject: Invitation to International Week 2015

Dear Partners,

After the success of "International Week 2014", it gives us great pleasure to inform you that the Faculty of Economics and Business (FEB) Universitas Gadjah Mada (UGM) with the support from ASEAN University Network (AUN) and ASEAN University Network for Business and Economics (AUN-BE) is again organizing "International Week 2015". This second annual event will be held from 10th to 15th of August 2015 in Yogyakarta, Indonesia, inviting undergraduate and graduate students from universities around the world.

International Week is a short academic event that combines a series of lectures, CEO talk, company visit, case study discussions as well as a number of social and cultural events. The topic for this year's International Week event is ASEAN Business Environment. By selecting this topic we attempt to provide a good platform for ASEAN and Worldwide universities' students to gain better understanding on ASEAN business and economic environment especially in the issues related with the topic.

In strengthening our cooperation between our universities, we would like to invite students from your respective institution to participate in this event. Details on how to participate in this event could be found on our web page feb.ugm.ac.id/iweek.
