

POSTECH Open Lab Program

Introduction

The “POSTECH Open Lab Program” is organized to further promote the exchange of students between the two universities. The program offers a great opportunity for students to experience POSTECH’s research facilities and the unique Korean culture.

Date: January 18 ~ February 5, 2016 (3weeks)

Eligibility: Currently enrolled junior students majoring in Science & Engineering fields

Program Contents

Research Experience	Research Participation / Final Presentation
	Visit to Prominent Research Institutes
Introduction to POSTECH and Pohang	Campus Tour
	POSCO & Pohang City Tour
Learn of Korea	Experiencing Korean Traditional Culture
	Experiencing Winter Sport (Trip to Ski Resort)

※ The specifics may change.

Certificate of Completion

Students will not receive any credits for their research participation. A Certificate of Completion will be issued at the end of the program.
