## GAS INDONESIA SUMMIT AND EXHIBITION 2016

The Gas Indonesia Summit & Exhibition (GIS), as part of Gastech portfolio of events will be launched at the Shangri-La Jakarta, Indonesia on 15th - 17th March 2016.

GIS is officially supported by the Ministry of Energy and Mineral Resources, Indonesia and will provide a central platform for key Indonesian and international players with strategic interest in the region's gas and LNG market to learn and network with senior industry leaders on the milestone of future trade and developments.

**300**

mid-senior regional and international conference delegates

**1,500**

global visitors over 2-day exhibition

**80+**

local, regional and international exhibitors

**800** sqm  
gross floor space

### Building on Indonesia's local content for the next generation of leaders

#### What is Gas Indonesia Summit and Exhibition Student Programme?

As part of dmG :: events launch initiative in Indonesia and Indonesia's focus on local content development, we have incorporated a platform for students to be part of the Gas Indonesia Summit and Exhibition. The Student Programme aims to introduce final-year students and first-year graduates to the local, regional and international gas industry by providing them with a 2-hour roundtable session of their own and full access to Gas Indonesia Summit and Exhibition.

#### Objectives:

- Promote local development of the next generation of leaders in the Indonesian energy industry
- Provide students with opportunities to connect with industry professionals as they embark on a career in the energy industry

#### Benefits to Universities/Institutions:

- Develop the next generation of leaders in the Indonesian energy industry
- Enhance exposure for students/graduates in a regional and international energy event
- Increase opportunities for employment for students/graduates

#### Benefits to Students:

- Gain key industry knowledge with access to the conference programme (worth IDR 16.43 mil)
- Network with peers, industry professionals and thought leaders
- Connect with companies in the industry
- Gain first-hand experience at the only gas and LNG focused event in Indonesia
