# TOHOKU UNIVERSITY Student Exchange with Partner Universities Fact Sheet (2016-2017)

Name of University	Tohoku University
Director, Global Learning Center	Prof. Masahiro YAMAGUCHI
Director, Student Exchange Division	Mr. Takeshi WAGATSUMA
Contact personnel	Student Exchange DivisionIncoming Exchange Programs Mr. Shuichi TSUKAMOTO (Chief) Ms. Rena KATO (Program Coordinator) Ms. Keiko SHIMIZU (JYPE Program Officer) Ms. Marina NAKANO (IPLA Program Officer) Ms. Saaya YAMAKAWA (COLABS Program Officer) Ms. Misae KIMURA (DEEP Program Assistant) Ms. Hitomi OIKAWA (Program Assistant) Ms. Maki SHOJI (Program Coordinator) Tel: +81-22-795-3745 Fax: +81-22-795-7826 Email: studyab@grp.tohoku.ac.jp (for JYPE, COLABS, DEEP) Email: ipla@grp.tohoku.ac.jp (for IPLA)Outgoing Exchange Programs Mr. Kango KOYAMA (Chief) Tel: +81-22-795-7826 Email: sab_query@grp.tohoku.ac.jp
Postal address	41 Kawauchi, Aoba-ku, Sendai, 980-8576 JAPAN
Student Exchange Website	http://www.insc.tohoku.ac.jp/english/exchange/

#### **B. Student Exchange Programs**

1. Junior Year Program in English (JYPE)
JYPE is an exchange program that provides an opportunity for overseas <u>undergraduate students</u> to take <u>natural</u> <u>science</u>, engineering, and agricultural courses at Tohoku University, without having to attain the Japanese language proficiency that would be necessary to take the same courses in Japanese.
All lectures are given in English and course credits will be given as per the standards of the equivalent courses offered in Japanese.

This program starts in October (Fall semester) .The duration is basically 1 year.

Further information: <a href="http://www.insc.tohoku.ac.jp/english/exchange/jype/">http://www.insc.tohoku.ac.jp/english/exchange/jype/</a>

Please choose up to 3 prospective professors from the websites of the following three schools.

Engineeringhttp://www.eng.tohoku.ac.jp/english/Sciencehttp://www.sci.tohoku.ac.jp/english/Agriculturehttp://www.agri.tohoku.ac.jp/index.html

2. International Program in Liberal Arts (IPLA)

IPLA is an exchange program that provides an opportunity for overseas <u>undergraduate students</u> to study a variety of <u>liberal arts</u>, <u>economics</u>, <u>management</u>, <u>education and literature classes</u> at Tohoku University, without having to attain the Japanese language proficiency that would be necessary to take the same courses in Japanese.

All lectures are given in English and course credits will be given as per the standards of the equivalent courses offered in Japanese.

Only students from partner universities that have university level agreements are able to join this program.

This program starts in October (Fall semester) and April (Spring semester). The duration is 1 semester or 1 year (only for students who start the program in October).

Further information: http://www.insc.tohoku.ac.jp/english/exchange/ipla/

3. Cooperative Laboratory Study Program (COLABS)

The main purpose of this program is to offer an opportunity for overseas <u>graduate students</u> to conduct research activities on <u>natural science course (science, medicine, dentistry, pharmaceutical sciences,</u> <u>engineering, agricultural science, information sciences, life sciences, environmental studies and biomedical</u> <u>engineering</u>) in an assigned laboratory. Students will also take basic education courses taught in English at Tohoku University in order to increase their abilities and expand their knowledge into new scientific fields. Students will not have to attain the Japanese language proficiency that would be necessary to take the same courses in Japanese.

Only <u>students from partner universities that have university or department level agreements</u> are able to join this program.

This program starts in October (Fall semester) and April (Spring semester). The duration is 1 semester or 1 year.

Further information: <u>http://www.insc.tohoku.ac.jp/english/exchange/colabs/</u>

Please choose up to 3 prospective professors from the websites of the following graduate schools.

Science	http://web.sci.tohoku.ac.jp/english/index.html
Engineering	http://www.eng.tohoku.ac.jp/english/

Dentistry	http://www.dent.tohoku.ac.jp/english/index.html
Pharmaceutical Science	http://www.pharm.tohoku.ac.jp/index-e.html

#### 4. Direct Enrollment Education Program (DEEP)& (DEEp-Bridge)

#### 4-1. Direct Enrollment Education Program (DEEP)

This program allows <u>both undergraduate and graduate students</u> international to take classes and perform research alongside Japanese students. DEEP students are enrolled in one of the <u>natural science course</u> (science, medicine, dentistry, pharmaceutical sciences, engineering, agricultural science, information sciences, life sciences, environmental studies and biomedical engineering).

Only students from partner universities that have university level agreements are able to join this program.

**Undergraduates** will be able to experience the wide range of fields and highly specialized courses Tohoku University has to offer through taking General Education and specialized subjects. Undergraduate students are required to have a high proficiency of Japanese language, sufficient to understand classes taught in Japanese. JLPT (http://www.ilpt.jp/) N1 or equivalent is required. **Graduate students** will participate in world-class research through their departments' activities in addition to attending lectures. If the student's academic advisor agrees to supervise in English, the student will not be required to show proficiency in Japanese.

Links to class, course, and syllabus information are available at the website below. However, many of the pages are available only in Japanese. We are sorry for the inconvenience.

http://www.tohoku.ac.jp/english/studentinfo/education/01/education0103/

This program starts in October (Fall semester) and April (Spring semester). The duration is 1 semester or 1 year (only for students who start the program in October).

Further information: <u>http://www.insc.tohoku.ac.jp/english/exchange/deep-u/</u>

Please choose up to 3 prospective professors from the websites of the following graduate schools.

#### 4-2. Direct Enrollment Education Program (DEEp-Bridge)

DEEp-Bridge is an exchange program for <u>both undergraduate and graduate humanities students</u> who have a JLPT rating of N3 or higher. Participants can take Japanese language and co-educational classes that match their individual levels. Those with a JLPT rating of N1, or Level 6 on Tohoku University's Japanese Placement Test, can take General Education or specialized classes together with Japanese students. Only <u>students from partner universities that have university or department level agreements</u> are able to join this program.

This program starts in October (Fall semester) and April (Spring semester). The duration is 1 semester or 1 year (only for students who start the program in October).

**Undergraduate students** are required to submit a JLPT rating certificate of N3 or higher, or equivalent to/higher than N3 on the individual Japanese Computerized Adaptive Test (J-CAT ). (Reference: Japanese Computerized Adaptive Test <u>http://www.j-cat.org/en/</u>)

**Graduate students** are not required to show proficiency in Japanese if the student's academic advisor agrees to supervise in English.

Please choose up to 3 prospective professors from the websites of the following graduate schools.

Arts and Letters	http://www.sal.tohoku.ac.jp/index.html
Education	http://www.sed.tohoku.ac.jp/~english/
Law	http://www.law.tohoku.ac.jp/english/
Economics	http://www.econ.tohoku.ac.jp/econ/english/
International Cultural Studies	http://www.intcul.tohoku.ac.jp/english/

Eligibility	Applicants need to be enrolled as regular students in one of <u>Tohoku</u> <u>University's partner universities</u> until the end of the exchange program. <u>http://www.bureau.tohoku.ac.jp/kokusai/exchangej/scientificj/en/uni</u> <u>versity-en.html</u>
Are students allowed to take cross- faculty modules?	Yes, subject to approval from the host faculty.
Restricted subjects for exchange	None. However, almost all subjects, except JYPE, IPLA and some

students (Not open to exchange students)	international programs for degree seeking students, are taught in Japanese. So students must have high Japanese proficiency if they wish to attend.
When will the official transcripts be ready?	Approximately two months after completion of the program.

## C. Academic Calendar

<2016 Fall semester>	

Orientation (Mandatory)	September 30, 2016
Classes begin	October 3, 2016
Classes end	February 5, 2017
Term-end presentation (Mandatory)	JYPE and COLABS: February 13, 2017
	IPLA: Early in February, 2017

\*The schedule is subject to change without notice.

## <2017 Spring semester>

Orientation (Mandatory)	April 4, 2017
Classes begin	April 6, 2017
Classes end	July 31, 2017
Term-end presentation (Mandatory)	JYPE and COLABS: July 25-27, 2017
	IPLA: Early in August, 2017
Closing Ceremony (Mandatory)	August 7, 2017

\*The schedule is subject to change without notice.

Participation in events	Participation in official events such as orientations, opening/closing ceremonies and presentations is mandatory. Detailed information will be announced at the orientations.
Duration of programs	Basically, students cannot return home for the duration of the program except for long vacations. In the case of shortening/extending the duration, an official letter from the student's home university must be submitted and the relevant committee must discuss it.
Changing programs	Students cannot change their program once enrolled.

#### D. Admission

How to apply	The home university selects and nominates the candidates on our online application website. The home university fills out the online application form and uploads supporting documents.
Number of students accepted	Depends on the MOU *The maximum number under the MOU is not always guaranteed, due to the capacity of each program, or if we are unable to find suitable academic advisors for the prospective students etc.
Application Period	For Fall Semester: Begins on January 10 and ends on March 10. For Spring Semester: Begins on October 1 and ends on November 15.
Application outcome (When and how will students be notified?)	2016 Fall: By the end of June. The final result will be sent to applicants' home university by e-mail.
	2017 Spring: By the end of January. The final result will be sent to applicants' home university by e-mail.

Application form and supporting documents	<ol> <li>Statement of purpose/Study plan (one A4 size page)</li> <li>Official Academic Transcript</li> <li>Letter of recommendation by applicant's advising professor</li> <li>Certificate of Enrollment at applicant's home university</li> <li>Certificate of Health</li> <li>Photocopy of Passport (identification page with applicant's photo and name)</li> <li>*Applicants without a passport can submit it after the application period. In this case, please upload a document to this effect.</li> <li>Optional: Application Form for JASSO scholarship (See "G. JASSO Scholarship")</li> <li>A copy of a certificate of language proficiency (JYPE, COLABS, IPLA: English DEEP (undergraduate): Japanese DEEP (graduate) : English and/or Japanese)</li> </ol>
Minimum GPA requirement	N/A
Minimum language requirement	JYPE, IPLA, and COLABS require high English proficiency. All applicants are strongly recommended to submit the official score sheet of a major test (e.g. TOEFL, IELTS, Cambridge, CET). Special Auditing Students in DEEP are required to have Japanese language proficiency (JLPT N1 Level).

#### E. Japanese Language Courses

Japanese language courses	The Special Japanese Language Program will be provided (no credit). Further information: <u>http://www.he.tohoku.ac.jp/SJLE/JLPK/index-e.html</u> *JYPE and IPLA offer their own Japanese language courses for credit.
Tuition and fees	Free

#### F. Accommodation

Dormitories for exchange students	Exchange students are required to live in the university dormitories. Tohoku University International House and University House Sanjo are available at reasonable rates (JPY 11,000-23,800/month, including utilities). For further information, see: International House: <u>http://sup.bureau.tohoku.ac.ip/housing/kaikan_en.html</u> Dormitory fee for International House Sanjo1 will be revised and applied to the residents after fall semester 2016. The fee for single room will be approximately JPY 10,000/month. University House Sanjo: <u>http://sup.bureau.tohoku.ac.jp/housing/uh_en.html</u>
How to apply	Successful applicants can register their preference of dormitory. However, in some cases, we cannot honor their preference because the number of rooms is limited.
Availability of dormitories during long vacations	Students can use their dorm rooms during long vacations.
Home stay arrangement	N/A

## G. JASSO Scholarship

	The JASSO scholarship is available for a limited number of qualified
	international students.
	The applicant's JASSO GPA must be 2.3 or higher. Since the number of
About the JASSO Scholarship	slots is limited, we cannot assure that all applicants will receive the
	scholarship. Exchange students who do not receive the JASSO
	scholarship must be able to show that they will have funds of JPY
	80,000 per month on their student visa applications.

Credit transfer	JASSO scholars are required to receive approval for credits they obtained at Tohoku University after returning to their home universities. After that, they also need to report the result to Tohoku University.
Duties of JASSO scholars	JASSO scholars must perform some duties, such as submission of reports and confirmation of their enrollment. If they don't perform these duties by the deadlines, they might lose their eligibility to receive the scholarship.
Scholarship conditions	JPY 80,000 per month
Scholarship application deadline	Same as student exchange program application deadline
Scholarship application form	Available on our online application website

#### H. Visa Procedures

Visa procedures	<ol> <li>After a notification of the final result, successful applicants will be guided to our web application system for the Certificate of Eligibility (CoE), and required to submit an application.</li> <li>Tohoku University will then apply to the Immigration Bureau for the CoE on behalf of students. It takes 2 months to get the certificate.</li> <li>Then, the CoE will be sent to students/partner universities.</li> <li>Students must apply for the VISA using the CoE at the Japanese embassy/consular office in their country before departure for Japan.</li> </ol>
-----------------	--

## J. Estimated Living Cost

	Living expenses for exchange students in Sendai are between JPY
	80,000 – 100,000/month.
	According to a survey done in 2012, 92.1% of exchange students pay
Estimated Living Cost	between JPY 20,000 and 50,000/month for meals.
	*You will be required to report the amount of support you will receive
	for expenses while in Japan (without scholarship) on the COE
	application.

#### K. Disaster Management

Disaster Management Promotion Office	In order to take advantage of the lessons of the Great East Japan Earthquake and take all possible measures for future disasters, Tohoku University has a Disaster Management Promotion Office. They provide a Disaster Control Manual and hold comprehensive emergency response drills. <u>http://www.bureau.tohoku.ac.jp/somu/saigaitaisaku/index2.html</u>
Earthquake Early Warning System	The university uses an Earthquake Early Warning System. Warnings are issued before earthquakes to encourage people to take safe actions. <u>http://www.jma.go.jp/jma/en/Emergency_Warning/ew_index.html</u>
Safety Confirmation System	In case of emergency, Tohoku University confirms safety of all its students and staff using the Safety Confirmation System. (Please find the PDF files in English at the website below) http://www.bureau.tohoku.ac.jp/somu/saigaitaisaku/index3.html
Information on radiation monitoring	Tohoku University measures radiation levels regularly and releases the information. http://www.bureau.tohoku.ac.jp/anzen/monitoring/english.html
	Reference data: natural background radiation dose per hour from around the world <u>http://www.bureau.tohoku.ac.jp/anzen/monitoring/world/english.html</u>

## L. Others

Pick-up service	There is no pick-up service. Students need to come to their university dormitory by themselves. Detailed information, including directions, is
	available in the welcome package.
