

- **Asia's top accounting school, ranked #1 in Asia for Accounting Research**
- **Extensive links with international professional bodies in accounting**
- **1st Singapore Business School to be accredited by AACSB & EQUIS**

Nanyang Technological University, NTU Singapore

Young and research-intensive, Nanyang Technological University (NTU Singapore) is ranked **13th globally**. It is also placed **1st** amongst the world's best young universities. NTU offers engineering, science, business, humanities, arts and social sciences, and has a joint medical school with Imperial College London. NTU is also home to world-class institutes and global research breakthroughs.

Nanyang Business School

Consistently ranked among the world's premier business schools, Nanyang Business School is dedicated to nurturing leaders for business and public service, and advancing global management knowledge and practice.

As we are fully integrated into NTU, we are able to draw on one of the world's top research-intensive universities to provide holistic, interdisciplinary business education. We believe that responsible and culturally sensitive leadership in business and government is crucial to securing a sustainable future for a globalised world.
