

# Requirement for 8th ASCENT

## 1. Abstract

ASCENT stands for “Asian Students Collaboration ENcouragement program in Technology”. This program aims to establish further international networks among students in Asian countries by studying development of Asian industry together. We, SAGE invite students, who study science and technology in Asian countries, to Japan for about 10 days. This program contains company visit, laboratory tour in Tokyo Tech, special lecture, group discussion and presentation on the settled theme.
