

We cordially invite you to attend the International Seminar on Chemical Engineering Soehadi Reksowardojo 2011, STKSR 2011, which will be held in Bandung on October 5-7, 2011. This seminar is in conjunction with commemoration of the 70th of the Chemical Engineering Higher Education in Indonesia. The aim of STKSR 2011 is to create a comprehensive synergy among various aspects in Chemical Engineering that hold great promise for the advancement of research and development. The changes and challenges brought about by increasing globalization provide the motivation for the theme of STKSR 2011: "Bioenergy, Biobased Product and Process Developments", which is significantly related to the current global issue. Keeping this objective in mind, main topics will include, but are not limited to:

- Renewable energy technology (RET)
- Food science & engineering (FST)
- Catalyst & reaction engineering (CRE)
- Material science & technology (MST)
- Applied chemistry (APC)
- Process design, simulation, & control (DSC)
- Environmental & safety technology (EST)
- Fundamental of chemical engineering (FCE)
- Bioprocess engineering (BPE)
- Separation & purification technology (SPT)
- Education (EDU)

1. Prof. Dr. Yamane Koji\* (*Shiga Prefecture University, Japan*)  
*Biofuel*
2. Dr. Matthew Wook Chang\* (*School of Chemical and Biomedical Engineering, NTU, Singapore*)  
*Biobased product development*
3. Dr. Ir. Tatang Hernas Soerawidjaja (*Program Studi Teknik Kimia, Institut Teknologi Bandung, Indonesia*)  
*Bioenergy and "kemurgi"*
4. Dr. Ir. Kardaya Warnika\* (*Dirjen Energi Baru Terbarukan dan Konservasi Energi, Indonesia*)  
*Renewable energy and energy conservation*
5. Bapak Paulus Tjakrawan (*Ketua Asosiasi Produsen Biofuel Indonesia, Indonesia*)  
*Market of biofuel in Indonesia*
6. Ir. Nanang Untung (*Vice President Gas, PT Pertamina (Persero), Indonesia*)  
*Bioenergy and policy*
7. Prof. Dr. Purwiyanto\* (*Ketua Seafast, Institut Pertanian Bogor, Indonesia*)  
*Agriculture product*
8. Dr. Erwin Susanto\* (*PT Ecogreen Oleochemical, Indonesia*)  
*Environmentally friendly product*
9. Bapak Irwan Hidayat\* (*PT Sidomuncul, Indonesia*)  
*Traditional herb product*
10. Dr. Martha Tilaar\* (*Direktur Utama, PT Martina Berto, Indonesia*)  
*Cosmetic product*
11. Ir. Ferry A. Soetikno, MBA\* (*President Direktur, PT Dexa Medica, Indonesia*)  
*Pharmaceutical product*

## Seminar Structure

The International Seminar on Chemical Engineering Soehadi Reksowardojo 2011 will be held in 3 days, which covers oral and poster presentations. Topics related to scientific issue on chemical engineering will be conducted on October 5-6, 2011, whereas topics related to chemical engineering education will be conducted on October 7, 2011.

The technical program will comprise of keynote speakers, invited and contributed presentations on a wide range of chemical engineering, which spans from fundamental to application. Eminent people in most related field related to seminar theme will be invited to present their thought. The contributed presentations will include both oral and poster sessions on traditional and emerging topics.

The program on October 5-6, 2011 will feature in a single-track plenary presentation or oral presentation, while contributed papers will feature in parallel sessions. The program on October 7, 2011 will feature a single-track plenary presentation with keynote speech from eminent people in chemical engineering education

## Registration Form:

*I hereby register to join the International Seminar on Chemical Engineering Soehadi Reksowardojo 2011:*

Full name and title: .....

Department: .....

Institution: .....

Address: .....

City: ..... Country: .....

Phone: ..... Fax: .....

e-mail: .....

Please indicate registration category by **ticking** the appropriate box:

Student	<input type="checkbox"/> Indonesia Rp 300.000	<input type="checkbox"/> Overseas USD 50
Faculty Member&Researcher	<input type="checkbox"/> Rp 500.000	<input type="checkbox"/> USD 100
BKKPII	<input type="checkbox"/> Rp 600.000	-
Others	<input type="checkbox"/> Rp 1.000.000	<input type="checkbox"/> USD 200

Number of additional seminar kit (if any): .....

Total registration fee: Rp ..... or USD .....

Please send the complete form and proof of payment to secretariat of STKSR 2011.

## Terms and conditions

Cancellation and refund are not accepted. If you are unable to attend, a substitute is welcome at no extra charge. Please advise the secretariat of the details of the substitute delegate in writing.

## Important dates:

22/08/11 : Abstract submission  
09/09/11 : Notification of acceptance  
16/09/11 : Full paper submission  
5-7/10/11 : Seminar

## Contribution fees:

Category	Indonesia (Rp)	Overseas (USD)
Students	300.000	50
Faculty member & researcher	500.000	100
BKKPII member	600.000	-
Other	1.000.000	200

- Participants (except students) will get a seminar kit.
- Students will only get Program Book and CD containing collection of papers.
- Student presenting an oral/poster paper will get seminar kit.
- Additional seminar kit costs Rp 100.000 (or USD 10).

The payment can be transferred to:

**PT BNI (Persero), Tbk.**  
**Kantor Cabang Utama**  
**Perguruan Tinggi Bandung**  
**Jalan Tamansari No. 80 Bandung**  
**No. Rekening: 0901012015**  
**a.n. Penampungan PPM FTI ITB**  
**Swift code: BNINIDJAITB**

## Committee:

### Organizing committee

Dr. Irwan Noezar  
Dr. Yogi Wibisono Budhi  
Dr. Ronny Purwadi  
Dr. Melia Laniwati  
Dr. MTAP Kresnowati  
Dr. Tirta Prakoso

### Steering committee

- Chairmans of Chemical Engineering Department at ITB, UGM, UNDIP, ITS, and UNSRI
- Chairmans of BKKPII and Aptekindo
