14. Form Pencarian email
15. Nama Pengguna email, sisa kuota dan sign Out

The screenshot displays the Zimbra webmail interface. The browser address bar shows the email address `mail.sithitb.ac.id`. The interface includes a navigation bar with tabs for Mail, Address Book, Calendar, Tasks, Briefcase, Preferences, and Re: [Kaprod] [X]. The left sidebar shows a folder tree with 'Inbox' selected, containing 3 items. The main area shows a list of emails in the inbox, with the top email selected. The right pane shows the content of the selected email, which is a reply to a message about a leadership talk. The email content includes a greeting, a request for registration, contact information for Nanan Hendayana, and a closing. The interface also shows a search bar at the top right and a status bar at the bottom.

PENGATURAN EMAIL

1. Preference dan Pengaturan
2. Berbagai pengaturan yang dapat dilakukan
