

# CALL FOR PAPER

Sustainable Infrastructure and Built Environment:  
Past, Present and Future

SIBE 2017 aims to provide a platform for exchange of ideas and information among academics, researchers, consultants, engineers, manufacturers, and post graduate scholars in civil, ocean, and environmental engineering.

SIBE 2017 is organized by the Faculty of Civil and Environmental Engineering (FCEE), Institut Teknologi Bandung (ITB)–Indonesia, in collaboration with Hokkaido University–Japan and National Taiwan University–Taiwan.

The scope of the conference covers all aspects of civil, ocean, and environmental engineering practices which includes the following:

1. Structure and materials
2. Transportation system and engineering
3. Water resources engineering and management
4. Water & waste engineering and management
5. Ocean engineering
6. Construction management
7. Geotechnical engineering
8. Environmental protection and management

Prospective authors are invited to submit a 300–400 words text-only abstract, which contain author contacts and related scope of conference as well. Abstract should be submitted by email to [sibe.info@ftsl.itb.ac.id](mailto:sibe.info@ftsl.itb.ac.id). For further information please visit SIBE website (<http://sibe.itb.ac.id>).

Deadline of paper abstract submission is April 1, 2017. All accepted papers will be published in the Conference Proceedings (printed and online) and selected presented papers will be published in Journal of Engineering and Technological Sciences which is indexed by Scopus and other main databases.

## Important Dates

- Deadline for abstract submission : April 1, 2017
- Notification of acceptance : May 1, 2017
- Deadline for full paper submission : July 1, 2017
- Conference dates : September 26–27, 2017
- Gala Dinner : September 26, 2017

Organized by:

Faculty of Civil and Environmental Engineering  
Institut Teknologi Bandung
